

Osmaniye Korkut Ata University
School of Foreign Languages
Outside-of-Class Activities

PEER SOLIDARITY	
Days of the Week	Wednesday
Hours	16:00-17:00
Max. Number of Ss	25
What is expected from the students?	In problem-solving groups which are composed of nonhomogenous students, high language performers are supposed to share their learning experiences with low performers. In this way, the overall language performance is expected to be increased.
